COURSE

1 The COURSE OPERATOR provides a course (hereinafter referred to as COURSE) which is suitable for the demonstration and testing of bikes, pedelecs and e-bikes.

2 The COURSE OPERATOR is responsible for the supervision of the COURSE.

3 The EXHIBITOR will however carry sole responsibility for his customers, test riders and other interested parties (hereafter referred to as USERS). The EXHIBITOR is also responsible for the supervision of these USERS on the COURSE.

4 Should there be a dangerous situation on the COURSE, the COURSE is overcrowded or should the COURSE OPERATOR inform the EXHIBITOR about a dangerous situation or that the

COURSE is overcrowded, the EXHIBITOR is not allowed to give USERS access to the COURSE until the COURSE is risk free.

USER REGISTRATION

5 USERS should first contact the COURSE OPERATOR. After registration and the appropriate signature on indemnity form by the COURSE OPERATOR, the USERS will receive a special wristband identifying them as USERS.

6 The EXHIBITOR may turn away every USER that cannot show such a wristband and refer the respective USER to the COURSE OPERATOR.

EXHIBITOR RESPONSIBILITIES

7 The EXHIBITOR confirms by signature to be in the possession of liability insurance, as well as for damages due to the use of the COURSE. Should the COURSE OPERATOR be made liable due to a breach of duty vis-à-vis the EXHIBITOR, the COURSE OPERATOR has the unrestricted right to recourse with regard to the EXHIBITOR. The EXHIBITOR shall release the COURSE OPERATOR from claims by third parties.

8 The EXHIBITOR has the sole responsibility of briefing the USERS about the EXHIBITOR'S own vehicles.

9 The control of the vehicles with regard to their technical condition, operational dependability as well as their use on the COURSE is the responsibility of the EXHIBITOR.

10 The EXHIBITOR is responsible for checking the wristbands. Please note: the supervisory staff are instructed not to allow cyclists to proceed without a wristband.

11 The EXHIBITOR is advised to recommend the use of a helmet. These are provided by the COURSE OPERATOR.

12 The EXHIBITOR is responsible to take suitable measurements to prevent any theft of his own bikes or parts, as well as safety helmets.

13 The EXHIBITOR is solely responsible for the exhibition stand/Check-in-Stand for his bikes. The usual way is to ask for a deposit from the USER for the duration of the rental time. The EXHIBITOR is solely responsible for his USERS.

14 The EXHIBITOR alone is responsible for the necessary fitness and ability to cycle, and as far as necessary the driving license of the USERS (see duty to wear helmets with pedelecs), as well as any further requirements for the safe use of the vehicles on the COURSE. In the case of doubt and/or problems, the COURSE may not be used. In such cases, the EXHIBITOR will inform the COURSE OPERATOR. In urgent cases, the EXHIBITOR should take the necessary measurements and inform the COURSE OPERATOR thereafter.

15 The EXHIBITOR disinfects his vehicles with VAH-certified disinfectants (at least limited virucidal) after or before the use of the USER.
